

IN THE SPECIFICATION

Attached to this Response is specification titled AMENDED SPECIFICATION marked up to correct grammatical and other errors noted by the Examiner. The Examiner is requested to enter the amended specification into the record. It will be seen that no new matter has been introduced into the specification. If further grammatical errors are discovered, these will be corrected by Applicant.

If the Examiner requires a "clean" copy of the revised amended specification incorporating the amendments, please advise the undersigned and a copy will be provided.
